Welcome to the 2020-21 Season!

We are so happy to welcome so many new and returning students to the Bellevue Youth Symphony Orchestra. Ensemble placements were sent via email on Monday and Tuesday, 9/14 and 9/15, to the main household email we have on file. If you did not receive your placement, please fill out this [form](#) and we will reply as soon as possible.

Small groups assignments will be communicated in the next couple of weeks.

To ensure that you receive BYSO emails in the future, add info@byso.org and admin@byso.org to your email address book.

Important Parent Meetings

At the beginning of every new season, BYSO has parent meetings to cover important information about participation in our ensembles. This year's meetings will be online, and will cover specifics about BYSO, our online offerings this fall, volunteer opportunities, and more. You'll also meet key BYSO staff and Board members.

You will have two opportunities to attend a parent meeting this month. The meetings will cover the same information so you need only attend one.
