Percussion: All Ages	X			

How to Read the Schedule

Each instrument and age group is organized by color in the schedule above. "X" marks the audition date available for each instrument and age group. For example, a 10-year-old cellist would have the option of auditioning on Monday, Tuesday, Saturday morning, or Saturday afternoon. A trombonist of any age would have the option of auditioning on Monday evening only.

Review the date options for your student based on their instrument and age, then choose the date that works best for your schedule. Then, go to the Fall 2023 Audition Registration form on our website and select your chosen date in the designated field.

Remember, if your student is not available for any date above, they may submit an online audition. If this is the case, choose "Online Submission" on the registration form. Additional instructions will be emailed to you.
