### How to Read the Schedule

Each instrument and age group is organized by color in the schedule above. "OCC" marks the audition date available for each instrument and age group at Overlake Christian Church, and "LWHS" marks the audition date available for each instrument at Lake Washington High School. If age is not specified in the Instrument and Student Age column, then all ages are accepted on that date/time. For example, a 12-year-old Double Bass student would be able to audition on 6/9 at OCC or on 6/13 in the morning at LWHS. A 7-year-old flute student would be able to audition on any dates/times except for 6/13 in the afternoon.

Review the date options for your student based on their instrument and age, then choose the date that works best for your schedule. Then, go to the 2026-27 Season Audition Registration form on our website and select your chosen date in the designated field.

Remember, if your student is not available for any date above, an online submission may be accepted. Email [admin@byso.org](mailto:admin@byso.org) for more information.
